LUXURY SITTING CUSHION

MADE FROM THE BEST & HIGHEST
MEMORY FOAM QUALITY

Size: 45 x 45 x 8 cm

www.Remal-Sa.com

Features and Benefits:

- The Seat Cushion by Remal Memory distributes your weight evenly over the entire sitting surface making you sit comfortably for extended periods of time.
- Manufactured with special VISCO-ELASTIC foam that moulds to your body allowing your back and hip muscles to relax completely by relieving their pressure.
- Covered with advanced HYPO-ALLERGENIC fabric with a breathable polyurethane membrane to protect it from dust mites and allergies that nest in conventional pillows.
- The better sitting Comfort Cushion with its therapeutic features and its sequestered design supports the sitting and keep it aligned and stable with the rest of the spine, leading to an optimum sitting comfort.
- Remal Memory Luxury Sitting Cushion can be used on any Chair, Wheelchair, Sofa & Floor or any other sitting surface...
